Brixworth Bulletin 2019 Advertising Rates & Payment Methods

By advertising in the Bulletin you can reach over 2550 households in and around Brixworth – a focused local market for your goods and services. At the same time, advertising in the Bulletin helps support the local community and a publication that, by sharing information for local residents, helps bring the community together.

General Information

Our current advertising rates remain unchanged for 2019, although printing costs are increasing. The enclosed sheets illustrate available sizes and the rates. Please note that in future, in addition to the former square-based formats, we now accept ads in standard International Paper Sizes of up to ¼ A4 page in size.

We have limited space within the Bulletin allocated to advertising, therefore, if your requested size is not available, we may ask you to consider a different size.

Our deadlines for copy and distribution are shown below. Late submission of artwork may result in advertising not being included in the Bulletin so please ensure that all artwork is submitted promptly.

Instructions/Artwork due	Distribution Date
20 January	1 March
20 April	1 June
20 July	1 September
20 October	1 December
